Professional Experience

STUDIO ZED STUDENT DESIGNER

University of Newcastle Pre-Semester 1 2021

High-intensity graphic design studio, working on both group and solo projects for local businesses.

PRODUCT DESIGNER / UI DESIGNER

Coassemble January - June 2022

Product designer focusing mainly on UI Design for an eLearning LMS. Included but not limited to icon design, small to large UI features and a complete rethink/redesign of a 'drag to reorder' function. My position was initially an internship but progressed to a full-time position and unfortunately ended shortly due to company funding cuts.

GRAPHIC DESIGNER

Fresh Marketing October 2022 - Present

Working across a variety of established companies, including the franchise WholeLife Pharmacy & Healthfoods (primary client). My work for them consists of but is not limited to the following; Catalogue design, Campaign direction, Store point of sale, Interior and exterior signage, Email marketing design, LAM design and management, Photography, UX/UI and web design.

Technical Skills

Adobe CC (InDesign, Illustrator, Photoshop and XD)

Figma

Microsoft

Education

Bachelor of Visual Communication and Design (*Distinction*)

University of Newcastle

Attributes:

2021 School of Creative Industries Student Representative

2021 College Commendation List for outstanding academic performance.
